President's Message

I am honored to have been elected SDFNE President. It is an organization whose mission – preserving square dance history – I truly believe in, whose volunteers and fellow board members I respect and admire, and those SDFNE members from all six New England states – CT, MA, ME, NH, VT, RI – I feel fortunate to serve. Most of you reading this are already aware of the Foundation's many achievements and ongoing activities, but I think the upcoming years present important new challenges and with them opportunities for involvement. Since anyone reading this newsletter is intelligent and creative, how many ways can you become involved with preserving Square Dance History? We would love to hear your ideas! Email or write us.

In a past "Foundation News", we asked for people to spread the word in their local community about square dance history. The SDFNE even offered to write the script for this "tell-all talk". Contact us if you think you would like to do this in the upcoming year.

Participating in community life, engaging in discussion with club leaders, callers and cuers, learning more about who we are and what defines us – the SDFNE facilitates these areas of involvement whenever possible. Our future plans are to become more visible. We want to let people know what terrific treasures we have at the Library & Museum. One way this is being accomplished is by the Bob Brundage interviews. Since Johnny Wedge has put them on the SDFNE website, more than 1,000 people have logged on to read the interviews. Patty Greene, our webmaster, has made the SDFNE website more user friendly. Have you tried the website (www.sdfne.org) recently? You can now download a membership application and mail it to the SDFNE office – of course along with your check.

Volunteers with racks and racks of vintage clothing.

Who doesn't like to see "Vintage Square Dance Clothes"? The SDFNE's collection of vintage clothing, both men & women's, needed to be downsized because of space limitations. A hardy band of workers, Dick & Judy Severance, Art & Marge Dugas, Mil & Anna Dixon, Ken & Sheila Moody, Dorothy Gulliford, Becky Morton, Carol Cormier, and France Rouff have been sorting, evaluating, measuring, and cataloging over 600 wonderful square dance garments. This has been in progress since July 2007. Some of these precious garments will be shown at the 50th NESRDC's fashion show. You won't want to miss the fashion show. Convention styles from past years, and specific styles from the last 50 years will be modeled. Get your tickets early!

I look forward in the next year to continuing the Foundation's commitment to bringing ideas to life. Of particular concern is the age distribution of dance participants. In a time when technology has made entertainment an easy "stay at home", we have to find a way to engage the younger generations to try the square dance activity. I invite you to consider additional ways to promote square and round dancing, and remind you that in doing so you not only fulfill the SDFNE's mission but respond as well to the challenge of improving community life in New England.

"Happy Thanksgiving"

It's Time to Say "THANK YOU"

YANKEE CLIPPER AWARD

The recipient of this prestigious award, Barbara Connelly, is a second generation square dancer. She met her late husband, Jim, at a high school square dance in New Jersey. During college they became round dance leaders and held leadership positions in the Area Round Dance Council. They also were involved in Square Dance Camping. They moved to Madison, ME after graduation from college. As experienced dance leaders they were active with clubs in that area. In 1980, a career change brought Jim & Barbara to Northern Vermont. They shared in the formation of clubs and associations of dance leaders in the area. They also helped form Square Dance Camping groups in both VT and NH. The Connells extended their leadership ability to the National Square Dance organizations. They served as editors of publications for Roundalab, and Natl. Sq.Dance Campers Assoc. Barbara & Jim were appointed to Chair the Round Dance Program at the 46th & 47th NESRDC in Brattleboro, VT. Just before the first of these conventions, Jim's life was ended in a tragic automobile accident. Barbara has carried on, continuing a tradition of service to the square and round dance activity that had been a way of life for this dedicated couple. On April 28, 2007, Barbara received the Yankee Clipper Award at the 49th NESRDC in Springfield, MA.

Local Legend Awards

The **LOCAL LEGEND AWARD** was established to honor those individuals and couples who have advanced the goals of the **SQUARE DANCE FOUNDATION OF NEW ENGLAND** by their actions within their local areas over the years. The goals are the promotion, preservation and perpetuation of the square and round dance activity

El & Doris Pillsbury

El and Doris have exemplified the true meaning of leadership in the Square and Round Dancing. They are founding members of Wheelers Square Dance Club of Acton, Massachusetts. They have served in numerous capacities on the Square Wheelers' board of directors, including President, Secretary, and the club historian. El and Doris have "angeled" every new class since the club was formed. This couple may well be titled the heart and soul of the Square Wheelers. Both have served the town of Acton and its people with twenty-five years as volunteers for the Meals on Wheels program. Additionally, they have served many years with the Acton Voter Registration and Election Poles.

Presidents position of the Seacoast Region Square Dance Association. They have continued to serve in those positions and numerous other capacities, including class advisors, EDSARDA delegates, and on committees for numerous anniversary dances and dances on the vessel Mount Washington on Lake Winnepesaukee. Bill & Carole were also members of Legacy, and International Square Dance Leadership Organization. During their tenure with the association, Bill and Carole were also instrumental in forming the original NSSARDA Friendship Festival in the early 90's which continues today as an annual event.

Lee & Kay Kennedy

Lee started dancing in 1978 and when an accident curtailed this activity, he found a new means to satisfy his interest in square dancing. In 1981 Lee attended a caller school at East Hill Farms and has been looking and moving forward ever since, continually striving to promote the square dance activity. Lee has been the caller for The Singing Lumberjack Swingers, The Square 80's of South China, The Square Town Squares of Winthrop, the Coastal Clippers of Rockport, The Kennebec Reelers, the Tripple Town Swingers, the Friendship Squares, and the Central Maine Squares. In 1984, Lee was invited to call at our nation's capitol in Washington, DC to promote Square Dancing as our National Dance.

HAPPENINGS ...

- **In Worcester, MA** – A new DBD square dance club was started by Caller Al & wife France Rouff. They meet every Wednesday night at the St. Joseph's Church at 10 Dupont Street in Worcester. A monthly dance, on the 4th Sat. of the month provides fresh "popped corn" and a wealth of dance choreography.
- **The Northeast Callers School**, run by Ken Ritucci and Norm Poisson the first weekend in October, 2007 had 23 attendees. Guest Callers were John Marshall from Virginia and Ann Uebelacker from British Columbia, both Callerlab members. All school attendees had the opportunity to view the SDFNE Library and Museum. They loved it. Before the caller school ended, we are pleased to say that John Marshall and Melanie Levesque became members. Thanks again, "Melanie", and "John". There will be another Callers School on October 09-13, 2008.
- **SDFNE's "New" Leather Women's Dance Shoes Fundraiser** continues. If you are at an event held in the Mill-A-Round Dance Center, do enter the Library & Museum and look over the shoes to see if we have your size. Thanks in advance for checking it out.
- **SEMCA's Harvest Ball** with Free Admission was held on October 21st. Ten squares of dancers enjoyed the activities the Ball provided. Callers and Cuers were in "top vocal form" and provided fun for everyone dancing.
- **The 50th New England Sq. & Rd. Dance Convention Committee** held 2 Kick-Off Dances. The 1st was in Esmond, RI on July 22, 2007. The Rhode Island Clubs supported this event. Callers were Mil Dixon, Jay Silva, Ken Ritucci and Darrell Sprague. Cuer was Birgit Maguire. Twelve squares of dancers attended this dance. Hats off to *RHODE ISLAND!* The 2nd kick-off dance was held in Keene NH at the Keene Recreation Center on October 14, 2007. Ten squares of dancers had a great time dancing to the calls of Jay Silva, Chris Pinkham, Don Bachelder, and Darrel Sprague. Cuer, Beverly MacKay delighted the round dancers with her music choices. The New Hampshire Clubs readily supported this dance. Hats off to *NEW HAMPSHIRE!* Other Kick-Off Dances are being planned for the future. All Callers & Cuers at these dances are volunteers who are part of the 50th NESRDC.
- **NSSARDA**, North Shore Sq. & Rd. Dance Association, Inc. celebrated their 40th Anniversary on Nov. 11, 2007 at the Mill-A-Round Dance Center. It was a smashing success. There were over 140 dancers from 21 Clubs in New England who danced to the calls of Everett Mackin and John Hendron, and the cues of Marilyn Rivenburg and Phil Gatchel. Decorations included hanging stars with the names of NSSARDA's past presidents. Door prizes totaled 40 – because of their 40th anniversary. Great idea!
- **NSSARDA Festival Friendship Couple** for 2007-2008 is Erich Nietzsche and Linda Outlaw. Congratulations.

OUTREACH PROGRAMS

CLUB HISTORY

SDFNE invites all dance clubs to send to us a copy of their most recently updated club history. As a part of anniversary celebrations, most clubs put together a historical write up. By sending a copy to the Foundation Library/Museum, we will create a file folder for your club and place your club's history in it for permanent future reference and research purpose. We would also welcome from your club a small courtesy banner, club badge, and any other materials of a historical nature to place in your special folder. As the years roll by, keep us updated so that your file will be current and complete. You may access your own file for future reference or research if you wish by making an appointment to do so. This is a great way to keep tabs on your club history at a centrally accessible place so vital records do not get lost, as they are passed on from one Board to another. We cannot accept storage of all your records because of space confinement; however, will accept and maintain critical and important highlight records as indicated above.

Other SDFNE Outreach Programs.....

#1 = Dance organization record storage service.

#2 = Surplus music records available to Callers and Cuers

#4 = SDFNE will maintain a biography file on information submitted by a Caller or Cuer

#5 = Specific Interest Research

Your continued interest and support is greatly appreciated.
